

Teacher Passport: Mrs Turner

<p>I am Mrs Turner and I will be teaching the current 4B class in September.</p> <p>We will be the new 5T Class.</p>	
<p>Miss Butler, Mrs James and Miss Strange will also be working in the year group.</p>	

What were your favourite subjects when you were at school?

When I was at school, I loved writing and drama. I loved acting and dancing too. In fact, anything to do with being on the stage – including singing! I loved performing.

What is your favourite subject to teach?

My favourite subjects to teach are reading, art and singing. I am particularly excited to teach some of this year's science – the solar system and the stars are so exciting and the universe is so vast!

What is your favourite book and why?

I can't really choose a favourite book – there are far too many great ones! I do love Alice in Wonderland and I have a special copy of Alice's Adventures Underground which was Lewis Carroll's first edition he hand-wrote for the real Alice! I love that the characters are all so silly and do such strange things. Plus, they have a tea party which is my favourite kind of tea! I love all children's books and particularly time travel ones or adventurous ones where the children save the day!

What do you like best about teaching at Staplehurst?

I love that everyone is so nice! The staff are friendly, and the children are so well-behaved. I love that so many children come and say hello to me! I love reading in the morning when I have fabulous conversations about what might happen in a book and why! All the speculation about a book makes it such fun.

What did you want to be when you were younger?

When I was younger, I wanted to be so many things! I wanted to be an author, an actor, a barrister (go to court and win cases) an artist, a dancer. I definitely did not want to be a teacher! But I became a teacher and it is actually the best job in the world!

What hobbies do you enjoy?

I love yoga and swimming – I love trying new things and giving things a go – I don't think I will be a rock climber after going on the climbing wall at school though, it was very high! I also love reading so much but buy so many books.

What three words would describe you?

Curious, determined and fair

If you were on a desert island what two things would you take with you?

A library and my family! (That definitely counts as two things!!)

Photographs of the classroom area.
