

YOUR SCHOOL PTA

THANK YOU FOR COMING TO OUR SUMMER FAIR.

We hope you all enjoyed spending time having fun with your family. We had the traditional fair games such as Tin Can Alley, Hook a Duck and Splat the Rat. Did you Beat the Goalie and get a high score?

We switched up the inflatables this year with a Helter Skelter slide and a Nerf target shoot alongside the bouncy castle.

The money we raise this year has been earmarked for an outdoor learning area.

JOIN US FOR OUR COLOUR RUN

Mon 22nd July

Join us for Colour Run. The children will love the chance to have fun while exercising as they run around the field getting covered in brightly coloured powder paint.

We will need volunteers to throw the powder, please sign up here if you can help.

HAVE YOU SEEN OUR COLOURFUL NEW BUDDY BENCHES?

We love to see the children using the picnic tables we bought, to sit and chat to their friends.

We are really pleased and happy to say that this month we have added some colourful buddy benches to the playground. The purpose of these was discussed with the children in their assemblies. Anyone can sit on these benches if they want to chat or play with a new friend.

Children can sit on these benches when they are looking for someone new to play with.

HAVE YOU ALSO SEEN THE NEW FLAG FLYING?

We were also very happy to see the new flag flying proudly for the 80th anniversary of D-Day.

The old one was ripped and very tatty and not fit for such a poignant anniversary, so we are pleased to have provided a new one for the children to proudly hoist up the pole.
